BANKING DETAILS FOR DIRECT CHURCH DEPOSIT

1 March 2020

All church offering direct deposits are arranged by you from your bank to the Church Bank, details of our bank account being shown below. This can be done with assistance of your bank or, if you do on-line banking, you can arrange the scheduled direct deposit yourself. Your Treasurer or our Office Secretary can allocate a **reference number** to you.

You will have to use a **reference** for the direct deposit so that you can keep a check of withdrawals from your account and that we can also keep a check on your behalf. The reference you can use are either:

- 1. Preferably an issued reference number that you can be given by our Treasurer, i.e., OFFERINGS <allocated number> or
- 2. Your 1st initial and surname, e.g., OFFERINGS GGrimsey or
- 3. Your 3 initials, e.g., OFFERINGS GMG

Please ensure that the **reference** is included when arranging transfers. If you are given a reference number but cannot get all the letters and numbers included as reference, it is the **numbers that are important**.

While the **reference number** or **your name** or **initials** will appear on the church's general ledger, these details are held in the strictest of confidence. Only the Treasurer or those assisting with finance of our church will be able to access details of your giving if required.
