RI Month for Christian Religious Instruction

RI Month Key Messages - 2021

February 2021 is RI Month for Christian Religious Instruction. This year we are focusing on 3 key messages:

1. Well over 175,000 students are consented, by their parents, to participate in RI in Qld state schools.
Encourage parents to consent their children into RI at their local state school.
2. Christian RI does not have enough RI Instructors to meet the increasing demand.
We need more volunteer RI Instructors.
3. Christian RI needs other volunteers in roles across the state – administrative support, people to pray, and helpers.
Anyone can help by volunteering.

Christian RI

Growing Christian RI in Queensland

"I keep teaching RI because it's such a wonderful opportunity to speak hope and joy into the lives of these little people."

Anna Roberts
RI Instructor

Christian RI needs you

Did you know that well over 175,000* Queensland state school students have been opted in to religious instruction?

In Queensland, parents consent for their children to participate in religious instruction. We need people like you to help them explore and discover faith and values.

Whatever your skills, we can use someone like you:

- instructors
- administrative support
- people to pray for RI

RI Teachers needed @

Howard and Torbanlea State Schools

We will not be able to offer RI coverage to a number of classes at these schools unless we get more RI instructors.

Curriculum and training is provided and volunteers must have a current blue card, or be willing to apply for one. RI classes are of a 30 minute duration and an RI instructor would normally take two or three classes in a row.
